Analysis / Administrative Data

Surveillance instituted at the target's residence at 6:00am. Target made several trips between his residence and his workplace throughout the shift. At 10:55am, while traveling to the workplace, the target turned southwest onto Rio Drive. The target's exact activities are unknown, however surveillance observed the target's wife in the vehicle as he departed the residence and believes that she was not present at his arrival at the mosque. Therefore, surveillance feels that the target dropped his wife off at one of the apartments in the area. This belief is further supported by the fact that the target returned to the Lafayette Park apartments after he departed the mosque at 1:40pm. The target was observed as he slowly drove in front of building numbers 6145 and 6147, at which time he easily could have picked up his wife before returning to his residence.

At 9:40am the target's wife departed the residence alone, and went shopping at the Crossroads Center shopping center. She returned to the residence at 10:19am.

Surveillance was discontinued due to end of shift.

Analysis / Administrative Data

Aulaqi drove to his workplace and is believed to have visited an acquaintance in the vicinity of Rio Drive. This could not be confirmed but he was observed turning east onto Leesburg Pike from Rio Drive after being lost to units for approximately 5 minutes.

Aulaqi was lost to surveillance for a period of time but was later found in the vicinity of the George Washington University in downtown Washington, DC. Aulaqi was in the area for approximately 2 ½ hours, and was most likely attending a class.

b6
b7C
b7A

Units observed several vans and passenger buses departing the lot of the mosque; some bearing the names of Baptist churches. It is believed that the mosque was hosting a type of open house services night. The evening prayer traffic was extremely heavy for a Tuesday night.

Aulaqi departed his workplace late in the evening and drove directly to the Safeway food store in the Crossroads Center. Inside, Aulaqi was observed talking to the service desk store clerk. The clerk was overheard mentioning a "money order". It is not known what his exact intentions were, but it should be noted that there were also Western Union services available at the service counter, but they may have been down for the hour. Aulaqi

Street, west on Munson Hill Road, north on Olin Drive, along the access road and onto Route 50 east. Aulaqi was driving at excessive speeds, once on Route 50 he was driving at least 90 m.p.h.

10:15pm Aulaqi crossed the Theodore Roosevelt Memorial Bridge into Washington D.C., he continued east on Constitution Avenue, NW, until turning north on 15th Street, NW, Washington D.C. his speed was still excessive, as if he had a time frame to meet.

* 10:21pm - 10:57pm During this time frame Aulaqi drove his Caravan in continual circles, (see map) his route only varied slightly. He would drive as far west as 16th Street, NW, as far north as Massachusetts Avenue, NW, as far east as 11th Street, NW, and as far south as I (eye) Street, NW. He made numerous trips around this section of the city, known for the late night activities of prostitutes. There was a police presence there as the District police had a car pulled over at 13th Street and L Street, NW, and appeared to be searching that vehicle, Aulaqi crossed this scene several times. While circling these blocks, he cut up and across these streets differently making the rounds shorter or longer on some trips, he was obviously looking for something or someone, but concentrating on the 11th and 12th Street corridor of NW, Washington DC.

10:59pm Aulaqi was observed north on 12th Street, NW, red boarded at L Street, NW, when a white female, that appeared to be a prostitute, entered the passenger side of his Caravan. She was in her late teens, dirty blond hair, wearing a shiny black outfit that was made up of a tight long sleeve jacket, very short shorts, and platform high heel thigh boots. Aulaqi then drove north on 12th Street, NW, east on Massachusetts Avenue, into Thomas Circle, NW, east on M Street, NW, across 15th Street, NW and then north into an alley mid-way between 15th and 16th Streets, NW, Washington D.C. The alley off of M Street, is between the NEA building, 1201 16th Street NW, and The Apartment Building at 1500 Massachusetts Avenue, NW, Washington DC.

11:02pm Aulaqi and his female companion sat inside his vehicle back in the small parking area that the said alley emptied into. It is believed that she was performing a sexual act on him, from what was observed by surveillance.

b6
b7C

11:11pm Aulaqi drove south out of the alley, stopped at M street, NW, and said female exited his vehicle. Aulaqi last observed west on M Street, NW, and then turning south on 16th Street, NW, Washington D.C.

* Said female walked east on M Street, back toward Thomas Circle. The female identified as [redacted] can be found on a regular basis in the vicinity of 12th Street and L Street, NW, Washington D.C. in the evening hours. She had a heavy southern or country accent, appeared to be in her late teens and had a hard or haggard edge to her appearance.

11:37pm Aulaqi's Caravan observed parked in front of his residence. With the time and distance it appears he drove straight back to his residence.

12:00am Surveillance discontinued.

Aulaqi was wearing tan colored pants with a black wool overcoat. No head wear. Leaving the area around the hotel, Aulaqi drove to the area around L and K Streets at 11th and 12th Streets. Circling this area probably in search of a prostitute. In the midst of rush-hour (6:36 - 6:55 pm), there was still plenty of foot and vehicular traffic along these corridors. There really didn't seem to be any prostitutes walking or standing around at this time.

1:20pm relieved in the vicinity of Aulaqi's residence, 3331 Kaywood Drive, Falls Church, Virginia.

At 6:17pm when Aulaqi headed back towards the residence he did not go home. Surveillance believes he was in the neighborhood because he was then observed at 6:19pm driving the van from Kaywood Court towards his residence. Once Aulaqi arrived at his residence, he was seen getting out of vehicle along with his wife and at least one child. ***It should be noted that Aulaqi possibly associates with a family living off of Kaywood Place, and is believed that he picked up his wife and child from that vicinity. Surveillance was unable to obtain an address at that time.

b6

b7A

Aulaqi drove back to the Mosque at Row Street for the third time today at 7:50pm. Surveillance noticed that each time he went to the Mosque, he only stayed for approximately 45 minutes. His usual staying time in the evenings is approximately 1 hour and 30 minutes to 2 hours.

Therefore, surveillance feels this day was a little unusual, but it could just be that prayer times changed. No other activity was observed during this shift.

5:50pm AULAQI spoke with an Unknown Middle Eastern Male (UMEM) outside of the Marvin Center. The two spoke for at least three minutes then parted ways. AULAQI walked north through the campus, towards his vehicle, and was lost to surveillance as he approached the intersection of 22nd Street and G Street. The UMEM walked around campus, spoke with some other middle eastern males, bought some coffee, and entered an elevator within the Rome Administration Building on the GWU campus. This building houses many classrooms, offices, meeting rooms, and other assorted rooms. [] was unable to place the UMEM into any specific room. [] believes the UMEM was a fellow GWU student as he interacted with other students, knew his way around campus, and carried a large book bag. The UMEM also wore traditional middle eastern garb (all in white - including cap) and spoke in a middle eastern language. b7E

*** [] again checked the surrounding area, especially Fungler Hall, but were unsuccessful in acquiring AULAQI.

10:02pm AULAQI walked (from the east - possible from the Graduate School of Education and Human Development building) and entered his vehicle. AULAQI then drove his vehicle directly to his residence from the GWU campus.

10:30pm Surveillance discontinued due to end of shift.

Analysis / Administrative Data (continued):

9:55 am Aulaqi exited the garage on foot and walked south on South Pitt Street to St. Paul's Episcopal Church, 228 South Pitt Street, Alexandria, Virginia. As Aulaqi was walking to the church, he appeared be looking at a personal digital assistant (Palm Pilot) or his cellular phone.

Note: The regular Sunday morning church service appeared to be ending at the time he arrived. Surveillance observed an individual fitting Aulaqi's description, sitting-in on or speaking at a meeting regarding Christian education which started at 10:00 am. Surveillance was not able to confirm that this individual was Aulaqi.

b6

b7C

11:20 am Aulaqi exited the church and walked back to the garage. As he was about to walk down into the garage, Aulaqi waved to a male driving a red Volvo bearing Virginia license plates exiting from the parking garage. Surveillance believes that this person is a member of the church and was possibly attending the Christian education meeting.

11:23 am Aulaqi exited the garage in his vehicle and drove in a logical route to the Border's Books, Music, & Café, 5871 Crossroads Center Way, Arlington, Virginia.

11:45 am Aulaqi exited the Border's carrying a newspaper and entered his vehicle. Aulaqi, while still parked in the Border's parking lot, sat in his vehicle for nine minutes. Surveillance is of the opinion that he was looking at the newspaper.

11:54 am Aulaqi backed-out his parking spot and drove north along the storefronts on the eastside of Crossroads Center Way. Aulaqi stopped his vehicle in the parking lot aisle, exited his van, and discarded the newspaper into a trash can on the sidewalk between the Chevy Chase Bank and La Madeleine French Bakery & Café (respectively, 5851 and 5861 Crossroads Center Way, Arlington, Virginia). The paper was retrieved from the trash can.

Note: Surveillance is of the opinion, that Aulaqi read and subsequently, discarded the newspaper away from his home, because he did not want to take it home. Aware of Aulaqi's interest in "call girls" or "escort services," surveillance believes that Aulaqi was looking at "The City Paper's" classified sections for potential endeavors. Again, solidifying our belief as to why he would not want to take the paper home.

11:59 am Aulaqi returned to his residence.

1:24 pm Aulaqi's wife was observed driving to Aphrodite Greek Imports, 5886 Leesburg Pike, Falls Church, Virginia (located in the shopping center at the intersection of Route 7 and Glen Forest
